Applicant Criminal Record Check Information

Texas Government Code 411.098 authorizes a school district to obtain the criminal history record of every applicant for employment or volunteer services with the district. All volunteers of Thank You Darlin' Foundation (TYD) are subject to a criminal background check in order to work with children. Each school district is able to run this check at their own expense through the Texas Department of Public Safety (DPS) provided that we have your full name, date of birth and social security number. If for any reason you do not wish to provide this information, you may have the criminal check run at your own expense at DPS. In either case, you may not begin your volunteer assignment at a school until your criminal background check has been received, reviewed, and cleared by the school district(s) you wish to server.
